

## Embers Neighborhood Pizza Night

Hello HOA and Neighborhood Event Organizers,

Our team would like to help you promote social distancing by providing a healthy meal option without having to wander far from home. We are providing Neighborhood Pizza Nights which allow for preordered wood fired pizzas to be picked up in a central location within your neighborhood community such as a cul-de-sac, pool or pavilion area.

To answer a few questions about your experience, we request your community be able to order a minimum of 40-45 pizzas before booking a visit date. Pies are 16-18 inch family sized and take less than 2 minutes to cook so can accommodate many pies in a 2 hour period. Larger communities may require more time to ensure service for orders. When your date has been provided, we ask you create an event on your social media pages along with the ordering link and graphics we will send you. An ordering cutoff announcement will need to be made at least 2 days before for those who waited or any have not seen the event posting.

In order to respect the CDC guidelines and promote contactless service, neighbors will need to pre order and provide a preferred pick up time between 5-7pm on your scheduled date. Payments and receipts are serviced through a linkable App on both our website and your social media page. Cutoff times for ordering due to dough proofing needs will be 48 hours before your scheduled event. Unfortunately, walk up orders cannot be accepted to further support this effort. We ask you respect your assigned pick up time but, if you are early or late by a few minutes, please provide your neighbors the space needed to complete their own visit.

Due to the amount of flour used in our fresh process, our cauliflower gluten free crust will satisfy dietary considerations but unfortunately will not be able to accommodate celiac sensitivities.

Please feel free to email or call us at 314 956 0202 to discuss scheduling your Neighborhood Pizza Night.

# Embers Neighborhood Pizza Night
