

“Save the Day Program”

Celebrations come both spontaneously and pre-planned which can be challenging in securing those venues and vendors for your special day. To help reduce planning complexities, Embers Catering offers a “Save the Day” program which secures your date and time so that you can focus on more immediate planning needs.

“Save the Day” requires a 500\$, non refundable date hold payment to confirm your special day's party date and serving time. The amount will be applied to your quoted balance once your quote has been accepted. After that, 50% of the balance will be due 60 days before your event, and the balance due 30 days before. This program allows for flexibility in guest planning and will include any last minute additions or modifications to the menu. Last minute changes will be billed the day of your event.
